

**Summer Writing Workshop 2018**  
**Tuesday/Wednesday 8-9:30 pm**  
**Dates: June 5 - August 14th (OFF July 3/4)**

This workshop is intended to help writers who are familiar with the writing workshop environment practice their craft and produce work that can be submitted to literary journals, curated for self-published chapbooks and zines, or arranged into part of a writing portfolio. We will critique each other's short fiction and poetry and compile a supplementary reading list of authors whose work we admire.

**What to expect:**

- Regularly attend and participate in 10 meetings in Baltimore or DC (or via [Google Meet](#))
- Present 2-3 short pieces (< 15 pages of prose) for critique the week before your scheduled critique date
- Read and write comments for pieces submitted for critique prior to meeting
- Add material to collaborative reading list

Interested? Email me at [reramakrishnan@gmail.com](mailto:reramakrishnan@gmail.com) with your meeting preference (either *Tuesday* or *Wednesday* from 8-9:30pm). If both those options conflict with your schedule, but you'd like to figure out a way to still participate, also let me know that!
